

Valley Extreme

The Valley Extreme Girls Fastpitch, Inc. is an Amateur Softball (ASA) and National Softball Association (NSA) organization for girls. We are a traveling fastpitch organization for 10, 12, 14, 16, and 18 under teams based in Cortland, Ohio, but consisting of players from Trumbull, Mahoning, and surrounding counties (mostly NE Ohio, and NW Pa.). It is our goal to introduce talented girls to a higher level of competition than is available in their community softball leagues.

Traveling ASA/NSA softball is expensive, and player fees don't cover all the expenses necessary, so successful fundraising is essential. We are asking for your help.

We are actively seeking sponsors and hope you might have an interest in a gift of sponsorship. Your donation of \$50, \$100, \$200, or \$500 will help defray the cost of equipment, uniforms, and tournament fees. In exchange for your generous sponsorship, we will include your business name on a team banner that will be hung on the dugout at all Valley Extreme games, to advertise your business, and express our appreciation for your support.

In addition to your name being placed on the banner, a \$500 sponsorship will receive a team picture and plaque. A \$200 sponsorship will also include a team picture. Your contribution is tax deductible as an advertising expense. The Valley Extreme is a 501(c)3 tax exempt organization.

Thank you, in advance, for your support.
